

## **2013 STUDENT EDUCATION & TRANSPORTATION GRANT PROGRAM**

For the third year in a row Presidio La Bahia is hosting the Student Education & Transportation Grant program (SETG). Since 2011 over 80 schools from across the state of Texas have participated in this wonderful program.

From March through May 2013, Presidio La Bahia is offering free admission to the first 10,000 students who sign up. In order to qualify for the grant participants must be either 4<sup>th</sup> or 7<sup>th</sup> grade students. In addition, each school and/or district will receive partial funding from the grant to pay towards the cost of fuel. The amount received will be based on the student miles traveled to a maximum of \$5.00 per-student.

For information and details regarding the Student Education and Transportation Grant program, or to make a reservation for your class, please contact Presidio La Bahia at 361-645-3752. Business hours are 9:00am-4:45pm, 7 days a week.
